KCTCS - "Louis A. Neichter - WayneTech Scholarship"
ELIGIBILITY CRITERIA

The following guidelines are strongly focused on during selection but they are flexible. Guidance Counselors who encounter possible applicants with strong career potential, but are outside of some guideline(s) may submit an application. Upon submission of such an application the counselor must provide a reference letter as to why the applicant should be considered. However, in all cases the final decision as to application review, testing, interview and award will be made by the selection and award committee.

The applicant for the **WayneTech** scholarship must fulfill the following guidelines:

1. **Academic Achievement:** A 2.5 cumulative GPA calculated from the tenth, eleventh and first half of grade twelve.
2. **Attendance:** A 90% attendance average for the tenth, eleventh and first half of grade twelve.
3. **Character Excellence:** Provide at least four (4) character reference letters from individuals (no student references) relating to the applicant: two must be from teachers and two from non-school personnel (ministers, business associates).
4. **Career Potential:** submit a minimum of one page typed, double spaced statement including the applicant's occupational objectives and interests in the diesel/heavy equipment field. Student should also include community and high school activities, work activities and other information deemed appropriate.

The candidate must be willing to attend a selected KCTCS program and complete work experience* at a Wayne Supply location, unless alternate methods are agreed on due to unusual circumstances.

The candidate must be an applicant as a full-time student in diesel engine and/or heavy equipment technology program at the selected KCTCS facility. Applicable KCTCS entrance testing must be taken, acceptable scores received and any necessary KCTCS application fees paid prior to submission of scholarship application and packet.

Pre-employment testing** by Wayne Supply Co. must be taken and acceptable scores achieved to qualify for scholarship assistance.

The scholarship remains in effect so long as the student maintains a 3.0 cumulative GPA, makes satisfactory progress in class, work activities and is not subject to any disciplinary action.

- Summer work internships at a Wayne Supply Co. will be available pending favorable business conditions

** Scholarship candidates must achieve acceptable scores on standardized pre-employment tests that are required of all Wayne Supply Co. shop & field service employment applicants.
